Sub: Distribution of ACC Code of Conduct

Every individual, regardless of position, should adhere to the **ACC Code of Conduct** distributed to all. Every effort should be made to live the Code of Conduct in spirit and letter. Our performance should be guided by the Code. The performance of the ACC will be determined by our performance. Any breach of the Code shall not be tolerated and the concerned individual shall be liable for serious action. Therefore, every individual working in the ACC is expected to follow the Code strictly.
